**RESPONSE TO NOTIFICATION OF MISSING
REQUIREMENTS UNDER 35 U.S.C. 371**

Dear Sirs:

This is in response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US). The Notification of Missing Requirements states that the Declaration did not comply with 37 CFR 1.497(a) in that inventors Marco, Giovanni and Roberto were not listed on the published application.

On February 17, 2003, applicant's representative requested that WIPO correct the listing of inventors (see Exhibit A). This request was never processed by WIPO.

Applicant's representative again requested that WIPO effect a change in recordation for this application (see Exhibit B). WIPO issued a Communication (Exhibit C) dated December 9, 2005 indicating that a republication will occur to reflect the addition of inventors Marco, Giovanni and Roberto. This republication will be forwarded upon receipt.

Applicant believes that no additional fees are necessary, however, the Commissioner is authorized to charge Deposit Account No. 50-1482 in the name of Carlson, Gaskey & Olds for any additional fees or credit the account for any overpayment.

Respectfully submitted,

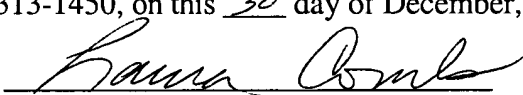

Keith A. Labb, Reg. No. 42,777
